## "Grateful Results"

A life of suffering and misery,  
without sleep, without appetite.  
Restored to health by

Ayer's  
Sarsaparilla

"I was grievously afflicted with biliousness and liver complaint. My mouth was in a terrible condition every morning, my tongue thickly coated, my breath was offen-

sive, food distressed me, I suffered much from headache, my skin was sallow, and the many remedies recommended me did no good. At last I commenced using Ayer's Sarsaparilla, and my improvement began almost from the first dose. It relieved the distress about my liver, caused my food to digest well, cured my headache, improved my complexion, and restored my appetite. These undesired-for but grateful results were accomplished by only two and a half bottles of Ayer's Sarsaparilla."—MRS. LYDIA M. TABOR, ALBANY, PA.

There are many imitation  
Sarsaparillas.

THE VICEROY

SOMETHING OF THE LIFE AND PROGRESS OF LORD CURZON OF  
KEDLESTON WHO MARRIED MARY V., DAUGHTER OF LEVI Z.  
LEITER OF CHICAGO AND WHO, IT IS NOW ANNOUNCED HAS  
RESIGNED AS VICEROY.

The Cable announces that Lord Curzon has resigned because Lord Kitchener has supreme command of the army in India. Curzon's rise has been rapid but it has generally been accepted that

He took office as Under-Secretary for India in 1891-2 and has been Viceroy and Governor-General of India since 1899. He has traveled extensively in Asia and has written much about poli-

LADY CURZON.

It has been justified by solid achievement. In the beginning he had the powerful influence of Lord Salisbury to help him in addition to his own ambitions and abilities. George Nathaniel Curzon, First Baron of Kedleston in the Irish Peerage, was

and other conditions as they affect British relations in India. It has been charged that the Col. Young-husband expedition to Tibet, of a year ago was a part of his ambitious political plans, and much criticism of it has been made in Great Britain.

LORD CURZON VICEROY OF INDIA

born at Kedleston January 11, 1859, the fourth son of Rev. Alfred Nathaniel Holden Curzon, Fourth Baron Scarsdale and Blanche. He was educated at Eton and Balliol College Oxford. He began his political life as assistant private secretary to Lord Salisbury in 1885 entering Parliament the same year.

has been charged that it was entirely unnecessary and was an undesired indignity and cruelty perpetrated on the Tibetans.

It was to be expected that a clash must come when two such strong personalities as Curzon and Kitchener met in the same field of action.

## "WHAT HE DONE"

An application for reinstatement as a practitioner in the District Court has been filed by David Watson, whose license to practice was revoked last year by Judge Robinson. Below the application is an endorsement, in the following style: "We, the undersigned believe that Mr. Watson had been punished enough for what he done, and he ought to be reinstated as an attorney at law." This is signed by William Henry and W. C. Achi. The matter was referred by Judge De Bolt to Judge Robinson.

COUNTY DEALS  
WITH CARTER

REPUBLICAN COMMITTEE CEN-  
SURES HIM AND EXPELS THREE  
WHO WORKED FOR HIM.

The Republican Committee for the County of Oahu met last evening and passed a resolution disapproving of the action taken by Governor Carter in the recent county campaign. There was no vote cast against the condemnatory resolution though two of those present asked to be excused from voting. Attorney General Andrews who was in the chair did not vote.

Resolved, That the Republican County Committee of the County of Oahu does hereby disapprove of the attitude taken by the executive of this Territory regarding the County campaign, inasmuch as it has embarrassed this committee in its work, and lent aid and encouraged certain members of this committee to work against the Republican party.

Resolved, That any member of this committee who did not support the regular ticket, but who worked for and supported candidates that were not nominated by the Republican party should be expelled from this committee.

The committee also dealt with Robert Boyd, Charles Coster and E. Keoloha three of its members who worked against the party at the recent election, by expelling them from the body.

It appears that the meeting was quite animated but there was a unanimity of voting recorded. The resolution censuring the Governor was presented by Charles Hustace Jr. The introducer said that the time had come for the committee to go on record in this matter and declare themselves. He spoke at some length on the advisability of adopting the resolution. The measure passed several refraining from voting but all votes cast being for the motion.

The question of ousting the alleged members of the committee for treachery to the party was discussed at length. Charles Ziegler had been a committee to inquire into the matter of the members from the fourth district and he reported in favor of ex-

pellling Robert Boyd. Ben Zablan then raised the point about Charles Costa and E. Keoloha. Zablan declared that they had been traitors to the ticket and Henry Vida offered to bring scores of witnesses to prove that Costa had indulged in treachery. The trio were finally expelled from the committee.

The meeting was held last night. Efforts were made to try and secure a postponement but it was pointed out that while the personnel of the committee consisted of 90 members, under the rules, one-third constituted a quorum and as there were twelve members present the committee assembled had complete power to act.
